WHY CHOOSE ADVAIT SHARE MARKET ACADEMY?

A Legacy of Excellence Since 2006

Since 2006, Advait Share Market Academy (ASMA) has provided practical stock market education to aspiring traders and investors. Founded by Mr. Satish Bobade, ASMA focuses on bridging theory with real market application, mentoring thousands in trading strategies, risk management, and disciplined investing. With live market exposure and over two decades of experience, the academy aids individuals in achieving sustainable wealth and financial independence.

CHALLENGES MOST LEARNERS FACE

- Confusion due to information overload and market rumors.
- Lack of proper guidance and mentorship.
- Fear of losses caused by poor risk management .
- Difficulty applying theoretical concepts in real market conditions .
- Emotional decision-making while trading and investing.

HOW ASMA ADDS VALUE

Live Market-Based Learning

Practical Trading & Investment Strategies

Risk Management & Trading Psychology

Step-by-Step Structured Training

Personalized Mentor Guidance

Continuous Learning Support

OUR USP

"100% Practical Learning in Live Market Conditions"

At ASMA, students don't just learn concepts—they learn how to apply them in real market scenarios. Every session is designed to bridge the gap between knowledge and execution, helping learners develop confidence, discipline, and a professional approach to the stock market.
